## CORPORATE OVERVIEW

### PHOTO

Founded in 1997, Jilin Garment Accessories (JGA) is an experienced manufacturer that operates complete woven interlinings, nonwoven interlinings, PP spunbond/SMS nonwoven fabrics processes. With advanced production equipment, testing equipment, mature technology, and the collaboration of more than 100 employees, JGA is widely recognized by customers from home and abroad. JGA has been certificated with various certifications like OEKO-TEX 100 and TQP program.

*JGA has been involved in developing various woven interlinings, nonwoven interlinings, nonwoven fabrics for over 20 years.*

### OUR OBJECTIVES

JGA aims to be one of the most competitive corporations. We highly values our employees' well-being and creates a harmonious and active workplace.

Furthermore, consumer-oriented products and services are JGA's forward momentum. JGA is willingly devoted to them through innovation and research.

### OUR VISION

1. More people will recognize JGA's quality;
2. We strive to build faster responsive system to the changing market;
3. Better products and services are tailored to the needs of consumers.
